TALENTED FULL-STACK DEVELOPER

Front-End Developer • Back-End Developer • Full Stack Developer
Software Development • Database Administrator • Data Management • Technical Troubleshooting

Talented software developer in search of a Front-End Developer and Back-End Developer position where my skills and experiences can help efficiently accomplishing various web projects and contribute to the success of you and your company.

WORK EXPERIENCE

Various Clients   **2020 - Present**
Full Stack Developer
- Coded 10+ websites by leveraging programming expertise in PHP, Laravel, React, and Vue.
- Optimized 3+ applications for maximum speed and scalability.
- Designed and implemented databases to support the websites created.
- Assured a high level of customer service by adhering to all deadlines.
- Communicated and provided feedback to clients' needs and requirements.

Code Ninja IT Solutions, Metro Manila, Philippines   **2017 - 2019**
Front End Developer
- Yielded a 20% year-over-year sales increase for a client company by optimizing their website with enhanced architecture, presentation, and UX/UI.
- Optimized 5+ applications for maximum speed and scalability.
- Championed the development of 100% reusable code and libraries for future use.
- Developed 5 new user-facing features with 3 team members and 2 stakeholders.
- Forged and leveraged strong working relationships with new staff members, galvanizing team activities to ensure high-quality website deliverables for client companies.

Marvill Web Development, Metro Manila, Philippines   **2013 - 2016**
Front End Developer
- Turned beautiful Photoshop/XD designs into static HTMLs.
- Learned how to use PHP/Laravel as a framework for general web application development.
- Built 3 landing pages to support email marketing campaigns and promotions.
- Wrote 10+ automated tests for every new feature to identify and troubleshoot bugs.
- Kept projects on track while operating independently in a deadline-driven environment.

EDUCATION

Adamson University, Metro Manila, Philippines   **2012**
Bachelor of Science, Computer Science
